2. Sahavas participants may not consume or store alcohol on Avatar's Abode property.
3. Sahavas participants may not engage in kissing, or any sexual activities.
4. Sahavas participants may not leave Avatar's Abode property during Sahavas.

We lovingly invite participants to view this as an opportunity to experience Baba's Sahavas and each other's companionship without the burden of the illusory world in their pockets. This rule is also for safety purposes. Cameras (that are only cameras) are allowed, and we will also have cameras at the event for communal use.
8. No fires to be lit by Sahavas participants.
9. Torches must be used if walking around outside after dark.
10. Sahavas participants may not go barefoot around the property.
