

Robert Een

Artist in Residence at Avatar's Abode 2–8 August 2024

Singing is one of life's joys. Singing with others increases the joy. Singing for Baba exults the joy.

Raising Voice is a physical approach to singing. Beginning from silence and stillness we then engage without breath before making sound. In our exploration we make use of vocal technique, improvisation and repertory.

Join Robert Een at Avatar's Abode from 2 to 8 August 2024, to raise your voice in song to Beloved Meher Baba.

All levels of experience are Welcome even if you think you can't sing!
